Is it wonderful that the most illustrious of the best chance of success; and that w with a box of matches, a flint and steel, and some tinder—for, as he truly said, there is no knowing what might happen. It has been estimated that the diceased gentlemen during his eighty years of life smoked more his eighty years of life smoked more his eighty years of life smoked more at the care of the steel, and some tinder—for, as he truly said, there is no knowing what has been refined and the character of genius which has been refined and the character of genius which has been refined and the character of genius which has been refined and the character of genius which has been refined and the character of continued to the most trying ordeals will blaze forth with the brightest on. These qualities are possessed, in some degree, by almost all eminent in some degree, by almost that the diceased gentlemen during his eighty years of life smoked more than four tons of tobacce and had furnly possessed of such noble qualities should have been thus prematurely cut off at the early age of eighty cut off at with the big D) with the sword of the ty said, "No: Abraham Lincoln has and character. And who associate into the woods to hang himself. As not love him," she said dryly. "And Spirit, and precious little else in the served his country well. We have with men more than those who rise he was sitting on the bough, with the he loves you also?" EAWYERS MINISTERS AND DOCOTES

Spirit, and precious fittle cise in the way of weapons of offence or defence. We'll try be way of weapons of offence or defence. But we couldn't get on without the him again." It is a lesson for the society? The average man in the taking the fatal plunge, suddenly a thought he did not!" spiritual brotherhood, whatever be- day .- Harper's Weekly. came of our special creeds. There is

thetic. Suppose in a case of Fever question that the President would be has its failures and its disappointthe does not tend to make them sympathetic. Suppose in a case of Fever res. Patient, the doctor should side with rs. Patient, the doctor should side with either party according to whether the convention. It was assumed by the to understand. But it is never with marked advantage over those born in age than he made Gambrinus Duke duty." either party according to whether the old miser or his expectant heir was his chief Democratic papers as a foreold miser or his expectant heir was his employer. Suppose the minister should side with the Lord or the Devshould side with the Lord or the Devil, according to the salary offered and

That was unquestionably the feeling be less. It is better for the occasiontheir own exertions who, in youth, sweetheart. Gambrinus kept clear of Jennie ventured a question il, according to the salary offered and other incidentil advantages, where other incidentil advantages is most salary offered and other incidentil advantages. It was that incidentil advantages in the control of the salary offered and other incidentil advantages in the control of the salary offered and other incidentil advantages. It was that incidentil advantages in the control of the salary offered and other incidentil advantages in the control of the salary offered and other incidentil advantages. It was that incidentil advantages in the control of the salary offered and other incidentil advantages in the control of the salary offered and other incidentil advantages. It was that the control of the co other incidentil advantages, where the soul of a sinner was in question. The discipline, too, is most salutary. The discipline, too, is most salutary. It tries our nationee and it tries our nationee. For thirty years he sat riage? Do you love your husband? You can see what a piece of work it would make of their sympathies. But the lawyers are quicker witted than the lawyers are quicker witten the lawyers are quicker witten the lawyers are quicker with th the lawyers are quicker witted than to dishearten and displaced that there is far more to reward and entribute to say that the two Conventions were wholly distinct, and that appoint. There is no day of the year without something to afford tranquil pleasure to the cultivator of flowers, something on which the mind may think they are as accomplished as the ministers, but they have a way of cramming with special knowledge for a case which leaves a certain shallow sediment of intelligence in their members are quicker witted than to dishearten and disappoint. There is no day of the year without something to afford tranquil pleasure to the cultivator of flowers, something on which the mind may rest.—rest with profit and delight.

After the first few difficulties have been overcome, the amount of care agained with great toil and difficulty. Those born in humble circumstances, who can make the first few difficulties have been overcome, the amount of care agained with great toil and difficulty. Those born in humble circumstances, who can make the one of the tribune would not now be displeased if the Philadelphia Control of the tribune would not now be don't be a high appreciation of howers, is likely to be the case with the same for the distance of the would have lever that there is not displeased than to dishearten and displaced that there is not displaced than to dishearten and displaced that there is not displaced than to dishearten and displaced that there is not displaced than to dishe sediment of intelligence in their memories about about a good many things.
They are apt to talk law in mixed

Their captured by notification they afford.
The properties a properties and the propert company, and they have away of lookcompany, and they have away of looking round when they make a point, as if they were addressing a jury, that is mighty aggravating, as I once had occasion to see when one of 'em, and a casion to s

ful citizen,—no oracles at all, but a man of more than average moral instincts, who if he knows anything, knows how little he knows. The ministers are good talkers, only the struggle between nature and grace makes some of 'em a little awkward occasionally. The women do their best party they are inevitable. They have sionally. The women do their best party they are inevitable. They have always existed in our politics—never to be continent, and who had sheathed his searlet blossoms of a single geranium was the shown of a single geranium was the gloom from an otherwise utterly dull and repelling house front, and who had sheathed his scarlet blossoms of a single geranium was the gloom from an otherwise utterly dull and repelling house front, and if the practice of cultivating window gardens became general, acres of monotonous brick work might thus be transformed and made be favorable to mental greatness. Sionally. The women do their best in the British House of beat and distant dated body. Physical strength and distant dated body. Physical strength and dust-ing, and washing dishes and making others and cheese, and sweeping and dust-ing, and washing dishes and making beds all the time. That man told the time is the spontaneous choice for redection of the mass of the party dull and repelling house front, and if the practice of cultivating window gardens became genditions contribute to the development of body as well as of mind must also be favorable to mental greatness. But health and strength and distant dated body. Physical strength and dust-ing, and washing dishes and making beds all the time. That man told the time in the time is a spin would she wish to be anything and cheese, and sweeping and dust-ing, and washing dishes and making beds all the time. The time is a spin would she wish to be anything and cheese, and sweeping and dust-ing and the search was the spon would she wish to be anything and cheese, and sweeping and dust-ing and the spin would she wish to be anything and cheese, and sweeping and dust-ing a to spoil 'em, as they do the poets; you find it very pleasant to be spoiled, no doubt; so do they. Now and then washington. But the trouble would the spoiled washington. But the trouble would the spoiled washington. The Advantage of Self Made Me

MANHOOD: HOW LOST, HOW ton of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhoa or Seminal Weakness, Involuntary Seminal Lesses, Impotency, Mental and Physical Incapacity, Impofiments to Marriage, etc.; also, Consumption, Epilepsy and Fits, induced by self-indulgence, or sexual extravagance.

tion. Epilepsy and Fits, induced by seit-mongers or sexual extravagance.

##Price in a scaled envelope, only 6 cents.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, bertain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically. This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, post-paid, on receipt of six cents, or two jest

We hope to merit a continuance of the patronics of the pa Also, Dr. Culverwell's "Marriage Guide" price 25 cents. Address the publishers, CHAS, J. C. KLINE & CO., 127 Bowery, New York, Post Office Box 4 886. N. G. KEIM & CO.
